

ABBEY PARK SCHOOL

2nd October 2020

Dear Parent/Carer

GCSE MATHS REVISION BUNDLE

Three excellent revision aids are published by CGP which support students studying the new 9-1 Mathematics GCSE. There is a revision guide, an accompanying workbook, and an answer book which cover the Edexcel Mathematics GCSE syllabus followed by students at Abbey Park School.

We would recommend that all students purchase a copy of the revision guide, the workbook and answer book as they provide the opportunity for students to practise their skills.

Our educational links with the content providers and printers enables us to offer you the opportunity to purchase these items at a reduced price.
