

ABBEEY PARK SCHOOL

2nd October 2020

Dear Parent/Carer,

MATHS REVISION GUIDES/CARDS - YEAR 11

At the start of year 10, two excellent revision aids were offered for purchase.

There is a revision guide, an accompanying workbook and an answer book which covers the Edexcel Mathematics GCSE syllabus followed by students at Abbey Park School. The books are published by CGP who support students studying the new 9-1 Mathematics GCSE. Please check with your child first, but if you didn't purchase the books last year we would like to offer you the opportunity to order them now. We would recommend that all students purchase this bundle as it provides the opportunity for students to practise their skills. Please email finance@abbeyparkschool.org.uk detailing your child's full name and tutor confirming you wish to place an order for the Maths Revision Bundle. We will then add your child to ParentPay.

There is also a set of Corbett Maths revision cards. The revision cards target the new 9-1 specification and cover all Maths topics. The set consists of 90 physical topic postcards plus videos, exam questions and solutions (accessed via QR codes) supporting each topic area. You may have already purchased these cards at the start of Year 10 but if you did not, please contact finance@abbeyparkschool.org.uk with your child's name and tutor and we will add your child onto ParentPay.

Our educational links with the content providers enables us to offer you the opportunity to purchase these items at a reduced price.

Product	Recommend Retail Price	Abbey Park Price
Revision Guide	£4.95	£2.85
Workbook	£4.95	£2.85
Answer Book	£2.00	£1.00
Total for all 3 books	£11.90	£6.70
Corbett Maths Revision Cards	£8.99 + P&P	£7.00

The Finance Office cannot accept any orders after **19th October** so please order early to avoid disappointment. When the books/cards have been received they will be sorted and passed onto your child. Please be aware there may be an increased lead time from order to delivery due to Covid-19 restrictions.

Regards

Mr. R Stubbs
