

Term 1 and 2 – 2020 Curriculum Planning

Curriculum plan for term 1 and 2 in response to C-19 and return to school. These curriculum alterations have been reviewed in light of curriculum delivered in home learning, pupil assessment and engagement.

Department: Mathematics

Year 11 session 6 usually starts in January with past paper club, this year it starts in September – sessions will focus on reteaching topics covered during lockdown and helping to reduce the anxiety of students.

		Content edited and/or repeated	Curriculum changes – What and How	Follow-up for linked units further into the key stage
Term 1	Year 7		No change	All future units include prior knowledge checking tasks and teachers plan lessons based on starting points. ↓
