

ABBEY PARK SCHOOL

October 2019

Dear Parent

As part of the catering service, we use a cashless till system. The system links directly to ParentPay, the system used here at Abbey Park for all payments.

The system we use is a biometric system, which takes measurements from your child's finger which are unique to them. Please note, this is not a system which records and stores whole fingerprints.

We would be grateful if you could sign and return this form to confirm your agreement for use of the Biometric system.

Yours sincerely
