

ABBEY PARK SCHOOL

Remote Teaching and Learning Update – Term 3

Dear Parents and Guardians,

As we now approach the second half of term 3 we wanted to congratulate our pupils in the way in which responded and conducted themselves in remote learning. Lessons are going well and pupils have been excelling in this lockdown with the continuation of the normal timetabled day and live lessons. We are aware of the challenges with concentration and eye strain as we all work on devices. For this reason, attached to this letter we have produced two guides:

1. Pupil Wellbeing Guide – Top Tips
2. Pupil Wellbeing Guide – Eye Strain

Screen Glare

We are aware that many of us are spending considerable periods of time in front of screens. There is an option for 'Night Light' to access this please follow these steps:

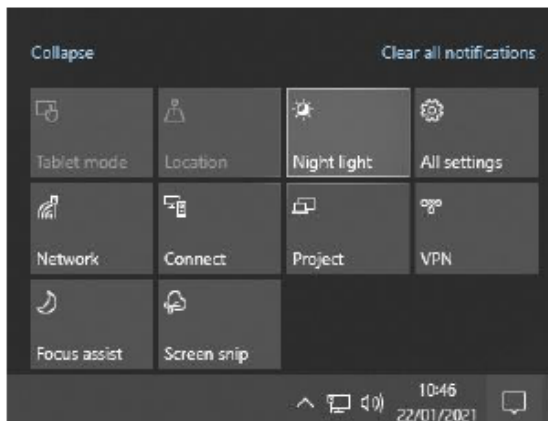

NIGHT LIGHT

In order to enable Night Light on your laptop or desktop, please do the following:

- Click the Notification icon in the system tray, very bottom right of the screen, where you may see the option, if you don't, please click Expand

- Once expanded, you should see the option, this can be toggled on or off

Principal: Mr J Young
Vice Principal: Mrs L Hunter
