

### Term 5 and 6 – 2020 Curriculum Planning

Curriculum plan for term 3 and 4 in response to C-19 and return to school. These curriculum alterations have been reviewed in light of curriculum delivered in home learning, pupil assessment and engagement.

#### Department: D&T: Graphics

For KS3 please note: The DT schemes are planned around the 5 members of DT staff and their specialisms meaning that the projects do not run as per the school calendar term. Year 7 and 8 projects run for 7 weeks. Year 9 projects run for 5 weeks projects (so that students can experience all subjects before option choices).

		Content edited and / or repeated.	Curriculum Changes – What and How	Follow up for linked units further into the key stage
KS3 Term 5 & 6	Year 7 (Design & Make a Monster Desk Tidy)	CAD 2D Design (Computer aided design) removed due to restrictions regarding access to computer rooms. This means that they will not be able to create their own nets.	Pupils will have pre-made nets provided that they will need to modify to suit their own design	Pupils will have an opportunity to use 2D Design across Yr8 D&T projects. They will draw their own nets in Yr8 Graphics.
	Year 8 (Design & Make a Travel Board Game)	CAD 2D Design and Adobe Illustrator (Computer aided design) removed due to restrictions regarding access to computer rooms. This means that they will not be able to create their own nets or the graphics for their game layout/packaging	Pupils will draw their board game layouts/packaging by hand. Pupils will have pre-made nets provided to make packaging box.	Pupils will have an opportunity to use CAD as part of their Yr9 Resistant Materials project. There will be an opportunity to develop CAD Adobe Illustrator skills if GCSE D&T Graphic is opted for.
	Year 9 GCSE Introduction	<b><u>New content to support introduction to GCSE GR</u></b>	Students will be taught the following theory areas: Paper and board; sustainability; work of designers; paper engineering Leading to the design and possible make outcome: design	Students will review the topics in Year 10 alongside practical aspects weekly.

			and make an interactive school map	
<b>KS4 Term 5</b>	<b>Year 10</b> (Theory & Non-Exam Assessment practice)	No changes		
	<b>Year 11</b>	Revision time has been edited to be streamlined alongside the shorter assessments. Paper 1 section C to be completed on core principles Paper 2 section A, B and C	Students will spend this time receiving guided revision lessons in between the APS assessment weeks	n/a
<b>KS4 Term 6</b>	<b>Year 10</b> (Theory & Non-Exam Assessment practice)	No changes
