

ABBEY PARK SCHOOL

17th June 2021

Dear Parent/Carer,

CGP publish excellent revision aids to support students studying the 9-1 English Literature GCSE. They produce revision guides, which cover all the key themes and ideas for some of our Literature texts.

We recommend these Text Guides for several reasons: to help with revising before classroom assessments; for students who struggle knowing what and how to revise; and to ensure that in the time between studying these texts and sitting mocks or final exams, students can remind themselves of the content. **In order for students to get the most from them, they will need to engage with them**, with these new editions also come a free online version and quizzes as well as the question pages inside, so do encourage your child to attempt these as part of their revision. You may also find the guides useful for your own reference to enable you to discuss the texts with your child and support their revision.

Our educational links with the printer enables us to offer you the opportunity to purchase these books as a bundle at a reduced price.
