

Local Governors required for our Local Advisory Boards

The Trustees of The Park Academies Trust are looking for volunteers to join our Local Advisory Boards.

The aim of this is to increase the capacity and level of expertise on the Local Advisory Boards (LABs) to enable the Trust Board to meet its statutory duties.

We are particularly interested in hearing from those with a passion for education and those who wish to make a positive contribution in helping the Trust achieve its vision.

What does a Local Governor do?

Local Governors support our Trust Board with their statutory duties by demonstrating appropriate support and challenge by holding academy leadership to account for academic performance, quality of care and provision.

What's the commitment involved and what's in it for me?

Local Advisory Boards meet around 6 times a year for committee meetings. You will need to allow time to prepare for these meetings, ensuring papers are read and suitable challenging questions are formulated. You will need to make a commitment to attend training to expand your knowledge of the role but you will also be well supported by staff and other governors.

There are times when additional support is required and you may be called to support the school by sitting on various panels relating to behaviour or complaints.

Although the position of a Local Governor is purely a voluntary position, it is rewarding and allows you to make a difference to the lives of young people in the local community. You will gain new skills and experience and get the chance to meet and work with other Local Governors and Trustees who are as passionate about improving educational outcomes as you are.

Can I be a Local Governor at my child's school?

Trustees need to consider where your skills and experience would fit best across the Trust, therefore we cannot guarantee that you would be on the LAB of your child's school. However, you would still be making a valuable contribution to the overall aims of the Trust.

How do I register my interest in becoming a Local Governor?

We would love to meet you to discuss how your skills and expertise could benefit the Trust.
