

## ABBEY PARK SCHOOL

27<sup>th</sup> September 2021

Dear Parent/Carer

### **The wearing of face masks for pupils and staff in corridors and indoor communal areas as from Tuesday 28th September 2021.**

I wrote to you last week regarding the rise in the number of confirmed cases of C-19 at Abbey Park School. We have been following DFE guidelines and in communication with Public Health England to mitigate against this rise. As a result, I have made the decision to reintroduce the wearing of face masks for pupils and staff in corridors and indoor communal areas as from tomorrow, Tuesday 28th September.

I must stress that this is not for lessons, unless there is a prior agreement, or in outdoor areas.

The following will now apply to the wearing of face masks until further notice:

- It is advised for staff and pupils in corridors and indoor communal areas
- Face masks must be a plain disposable or plain washable mask.
- A small plastic bag should be brought to school to keep the mask in when in class.
- Disposable masks need to be disposed of at home.
- A child can only wear a mask in class if specific prior agreement is made with the school.

I do appreciate that this is short notice and so if your child does not have a face mask for tomorrow, please ask them to go to their pastoral office where one will be provided. If for medical reasons your child cannot wear a face mask then please inform the relevant Head of Year, so the exception can be noted.

Yours sincerely,

Mr Young

Principal

Principal: Mr J Young  
Vice Principal: Mrs L Hunter

The Learning Campus, Redhouse Way, Swindon, Wiltshire SN25 2ND
